Patio Houses – Sotogrande Alto.

Designed by the prestigious architecture firm *Torras y Sierra*, the *Patio Houses* are part of a unique new development in Sotogrande Alto, located next to the La Cañada golf course. This collection of 19 townhouses blends harmoniously into a privileged natural setting, where lush vegetation and outdoor spaces are the central focus of the project. The defining concept of this development is simple yet powerful: *a garden with houses*.

Featuring a traditional architectural style reimagined with a contemporary approach, these homes are thoughtfully arranged around private patios that organize both indoor and outdoor living. Each house includes a garden, private pool, and shaded areas under pergolas, creating a warm and functional atmosphere ideal for enjoying Sotogrande's climate and serenity.
