High-end residence located in La Reserva de Sotogrande, one of the most exclusive areas on the Costa del Sol. With contemporary architecture featuring Andalusian touches, this home offers the perfect balance between design, comfort, and energy efficiency.

Set on a spacious 1,955 m<sup>2</sup> plot, the property boasts 367 m<sup>2</sup> spread over three floors. It features four en-suite bedrooms, four full bathrooms, and a guest toilet. The generous living-dining area of over 60 m<sup>2</sup> connects seamlessly with the terraces and garden, creating a bright and welcoming atmosphere throughout the home. The designer kitchen, fully equipped with Siemens appliances, combines style and functionality in an open, modern layout.

Climate control is handled by a cutting-edge aerothermal system, with water-based underfloor heating and individual room temperature regulation thanks to the Airzone system. The private pool includes a heating system and thermal cover to maintain an optimal temperature throughout the year. The property also includes a wellness area with a sauna and steam bath.

Photovoltaic solar panels ensure excellent energy efficiency. The electrical installation meets the highest ...
